

Questions

- ✓ What have you learned in this process? About your project? About yourself?
- ✓ How have you changed?
- ✓ Where do you want to go from here?

Exercise

- ✓ You began this process with a vague sense of something missing. You have harnessed the power of your thoughts, ignited your imagination, contained your emotions and grounded your actions to create something new in the world. How do you leverage your learning in this course to take the wheel of your life going forward?
- ✓ How have you gained a new perspective on this area of your life?
- ✓ What have you learned about the context of your life experience?

Actions/Homework

- ✓ Name three ways in which you've reset your strategy for success through this process.
- ✓ What are the next steps for you? Where will you go from here? Create a new vision.
- ✓ What new goal do you want to set for the next 28 days?
- ✓ Continue to invest time and energy in your daily practice, as it is the foundation of your success.

Accountability

- ✓ Check in with your accountability partner and decide where you go from here.
- ✓ Join the Wheel of Creativity community for ongoing shared support and resources.

Measure your Learning

- ✓ What are your three most important takeaways from this course? Rewards?
- ✓ What is still waiting to be done?
